Re: Formal Approval of Form and Amount of Reclamation Surety, Western Clay Company, Last Chance Mine, M/015/061, Emery County, Utah

Dear Mr. Mortensen:

On July 16, 1995, the Board of Oil, Gas and Mining formally approved the form and amount (\$40,800) of reclamation surety for Western Clay Company's Last Chance mine. The reclamation surety is in the form of a Letter of Credit (L/C) issued by Utah Independent Bank. The Division hereby grants its final approval of this project and the reclamation surety.

Enclosed please find copies of the fully signed and executed Reclamation Contract along with a copy of the Letter of Credit for your files.

Thank you for your time, cooperation and patience in helping finalize this permitting action. Please call me should you have any questions in this regard.

Sincerely,

Anthony A. Gallegos
Reclamation Engineer
